Head clinician Craig Nelson is the Head Boys Basketball Coach at Brandon Valley HS. Nelson previously was the head coach at Sioux Falls Washington for 9 years. The Warriors were Runner-Up in the South Dakota State AA Basketball Tournament in 2015 & 2016. Nelson has guided the Warriors to a state tournament appearance in 6 of his 9 years as Head Coach. Prior to coaching, Nelson played Point Guard for Northern State University, where he started in 121 games during his career, learning from legendary coach Don Meyer. In High School, Nelson played for his father where they won back to back North Dakota state championships, including 50 games in a row. Nelson along with his staff of high school coaches will demonstrate and teach the skills you need to improve as a basketball player, and the lifelong skills you need to succeed in life.
